REQUEST FOR PROPOSAL

Acting on behalf Fabryka Broni "Łucznik" - Radom sp. z o.o. (Ltd) with the seat in Radom, Poland, you are kindly asked to submit your offer for the delivery of the brand new machine (device): Forging equipment.

The offer should include:

- specification of the technical parameters of the offered device, taking into account, as far as possible, the expected parameters described in Appendix 1 to this letter,
- price (based on DDP, Radom Poland, according to Incoterms 2010),
- delivery date of the device (preferred date 05 November 2018),
- installation and commissioning date of the device (the preferred date of the final acceptance of the device, which shall be ready to production: 21 December 2018),
- the guarantee period for the device (counting from the date of commissioning in our factory), provided that this period should not be shorter than 24 months;
- execution, within the contract price, an appropriate training for selected employees of our Company, i.e. for operators and maintenance staff.

Tender (offer) validity should not be shorter than 60 days.

The offer will be the basis for negotiations of the final terms and conditions of the contract - please note the draft contract, which constitutes the Appendix 2 to this letter.

We are looking forward to your offer by **05 January 2018**.

In case of any technical questions, please email us at: dbartosik@fabrykabroni.pl

We reserve the right not to enter into negotiations as well as the right to terminate the proceedings at any time, without signing the contract.

Sincerely yours
